

DEGREE COMPLETION PROGRAM TO PROGRAM AGREEMENT

BETWEEN

NICOLET COLLEGE

AND

UNIVERSITY OF WISCONSIN-EXTENSION

Effective January 1, 2017

The purpose of this degree completion agreement is to provide improved transfer opportunities for learners at Nicolet Technical College (Nicolet) who desire to further their education by enrolling in the Bachelor of Science in Business Administration offered by the University of Wisconsin-Extension (UWEX). Through the collaborative efforts of student services, faculty, and administration, learners will encounter a clear path to reach their educational goals. This agreement allows a seamless transfer for Nicolet students in acquiring a baccalaureate degree at UW-Extension under the conditions listed below.

Learners who successfully complete the following Nicolet degree:

LIBERAL ARTS DEGREE: ASSOCIATE OF SCIENCE (AS)

And who meet the admission requirements of the University of Wisconsin-Extension and other conditions specified in this agreement will be admitted with up to 55 degree credits toward a:

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION DEGREE (BSBA) DEGREE

PROVISIONS OF THIS AGREEMENT:

1. **Admission.** It is the learner's responsibility to demonstrate fulfillment of the current admission requirements of UWEX at the time of entry.
2. **Advising.** UWEX and Nicolet will provide academic advising to Nicolet learners inquiring about UWEX programs. Learners will be connected with a UWEX advisor prior to transfer. UWEX and Nicolet will share materials, catalogs, and other information to facilitate their understanding of requirements and programs. Nicolet will assist UWEX in arranging recruitment events on its campuses.

3. **Marketing.** Any marketing of this agreement will be subject to the prior approval of both parties and will adhere to each institution's standards for the use of its name and logo. Each institution will assume responsibility for appropriate marketing to reach its student population. Each institution may provide a link to this agreement and/or the other institution at its website, with notice to the other party.
4. **Tracking of Use.** When possible, Nicolet will provide UWEX admissions office the names of students who are following the articulation agreement and who intend to transfer to UWEX. This will allow UWEX time to plan in advance of admitting, advising, and orienting these students. Nicolet also desires to track the use of articulation agreements by students. If possible, UWEX will send Nicolet the total number of credits transferred from Nicolet annually or other data that can be conveniently produced.
5. **Periodic Review.** Nicolet and UWEX will collaboratively review the articulation agreements on a three-year cycle, starting January 1, 2020; such reviews may commence earlier if curricular or institutional policy changes warrant. Each institution agrees to notify the other of significant curricular or policy changes in a timely manner.
6. **Cancellation.** Both parties agree to provide at least one-hundred eighty (180) days advanced, written notification of intent to cancel this agreement. Nicolet students who apply to UWEX prior to the cancellation date will be permitted to utilize the terms of this agreement.
7. Details of program-to-program articulation and any other conditions agreed upon by both institutions are listed on the following pages of this agreement.

The University of Wisconsin-Extension (UWEX) and Nicolet College (Nicolet) have produced this guide as a tool for students. Every effort is made to maintain accurate information; however, this guide is subject to change. Students should contact the Advisors listed below to stay informed of changes, as final responsibility for verifying this information rests with the student.

Specifications for

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION DEGREE (BSBA) DEGREE

(Some of these requirements will have been met in part by coursework completed at Nicolet under the agreement)

A. General Education and Diversity Requirement:

Students entering UWEX under this articulation agreement must meet general education requirements, English competency, and a cultural diversity requirement. In total, thirty credits are needed with specific distribution of credit requirements in each of the following areas: Arts, Humanities, and English Composition (minimum of 9 credits), Mathematics and Natural Sciences (minimum of 9 credits), Social Sciences (minimum of 6 credits), Cultural Diversity (minimum of 3 credits).

Under this agreement, Nicolet students who complete the liberal arts Associate of Science degree satisfy all general education and diversity requirements for the BSBA degree. In other words, 30 general education credits will be transferred from the AS degree to the BSBA degree.

B. Admissions Requirements:

A minimum cumulative GPA of 2.0 is required for admission to the UW-Extension BSBA program. The Associate of Arts degree is not required for admission.

C. Reverse Transfer:

Students who are admitted to the UWEX BSBA degree program without completing Nicolet's AS degree will be eligible to participate in the Reverse Transfer Agreement between Nicolet and UWEX. The Participant Agreement and Consent of Disclosure of Records (Appendix A) will be signed by the student upon acceptance into the UWEX BSBA degree program.

D. Foreign Language Requirement:

The UW-Extension BSBA degree program does not have a foreign language requirement.

E. BSBA Elective Credits Requirement:

In addition to the general education requirements noted above, students must complete 25 elective credits for the BSBA program. Under this agreement, Nicolet students who graduate with an AS degree from Nicolet satisfy all BSBA elective credits. In other words, 25 elective credits will be transferred from the AS degree to the BSBA degree.

F. BSBA Projects Requirement:

Students with a liberal arts AS degree must demonstrate mastery of competencies in business by working on and completing projects in order to obtain the BSBA degree. Successful completion of all BSBA projects is required by students seeking the BSBA degree. The Bachelor of Science in Business Administration degree curriculum requires the completion of 39 projects from 20 competency areas integral to business administration. The 39 projects equate to 65 credit equivalents, with each project addressing clearly defined competencies.

Competency areas: Business Economics I, Business Economics II, Financial Accounting, Managerial Accounting, Business Communication, Business Law and Ethics, Business Statistics, Information Systems, Finance, Operations Management, Marketing, Organizational Behavior and Leadership, Human Resource Management, Global Business, Strategic Management, Project Management, Sales, Supply Chain Management, Integrative Capstone Project, Business Algebra
